

HMI Alumni Leadership Trip

June 2-6, 2024

We are thrilled to announce the launch of this inaugural **HMI Alumni Leadership Trip to Israel**, offering a unique opportunity for our dedicated alumni to revisit the place that sparked your Honeymoon Israel journey and deepen your commitment to HMI through leadership and support.

The Alumni Leadership Trip will feature opportunities for alumni to hear diverse viewpoints from experts and leaders in Israel, experience meaningful volunteer opportunities, and forge deeper connections with other passionate alumni across the nation. You will also have the opportunity to dive deeper into your thinking about being a leader in the Jewish community and the role we all play as leaders at critical times.

Following the tragic events of October 7, Israel and the Jewish community are forever changed. As an alum, you have the unique opportunity to become a valuable leader in the HMI community and join us on this journey of resilience and renewal.

This trip is open to all HMI alumni as individuals, but both partners from a couple are welcome to apply individually. Potential participants will each complete a short application, describing their interest in the trip and in deeper engagement with HMI as an alum leader. To participate in this program, we kindly request a two year minimum gift commitment of \$1,800 per year as well as opportunities for further engagement within the organization and the broader Jewish community.

Paying It Forward to HMI

Meaningful gifts to Honeymoon Israel ensure that we can continue our important work connecting couples to Israel and Jewish life, and sustaining our ever growing community.

- We ask that each household, whether an individual or couple, commits to a minimum gift to Honeymoon Israel of \$1,800 for two years (2024 and 2025).
- Gifts can be made in a variety of ways, including monthly payments or stock transfer. We will work with you on your preferred method of payment.

If you have any questions, please feel free to contact HMI Alumni Giving Director Joey Brooks at alumnitrip@honeymoonisrael.org.

Costs

This program is highly subsidized thanks to the generosity of donors.

- \$500 participation fee per person; this includes hotel in double occupancy, most meals, and transportation throughout the program.
- If you wish to stay in a single room, there will be a single supplement room cost of an additional \$500.
- This cost does not include flights or airport transfers - participants must book their own flight arrangements and travel to/from both their home airport and the airport in Israel
- We recommend all participants get travel insurance.
